Ferry over the Korayar river.

163. Mr. A. Eachara Menon.—Will the Government be pleased to state:—

(i) if they still have a paid servant to look after the boat stationed at the Eruttempadi crossing of the Korayar river ;

(2) whether it has been brought to the notice of the Government that the constructions made for the ferry system had been destroyed by flood, and that the boat now lies in the middle of the river away from the shed put for its habitation ?

Mr. V. K. Aravindaksha Menon.—(1) No.

(2) The boat was sold in auction.

Mr. A. Eachara Menon.—May I know the loss incurred by the Government by this transaction?

Mr. V. K. Aravindaksha Menon.—About Rs. 350 is the total cost of the work.

President.—Wat was the value of the boat?

Mr. V. K. Aravindaksha Menon.—About Rs. 180.

President.—For what value was it sold?

Mr. V. K. Aravindaksha Menon.—It did not fetch any big price.

President.—It must have been sold for 5 or 10 Rs. less. For, at auctions we realise only a very low price.

Mr. A. Eachara Menon.—What I want to bring out is there was no use by the boat and that the amount was wasted ; that is all.
